PROFILE

Finance systems and transformation leader with 15+ years in ERP, bridging finance and technology across real estate, telecom and multi-sector investment groups. Leads Microsoft Dynamics 365 F&O finance systems for multi-entity organisations, from chart of accounts and intercompany design to integrations and Power BI reporting. Known for rescuing troubled ERP programmes and replacing manual reporting with governed, automated solutions.

CAREER

2024 – Now — **Finance Systems Manager**
Expo City Dubai · Dubai
Leads finance systems for a multi-entity group on Dynamics 365 F&O: dimensions and chart of accounts, intercompany framework, integrations (Salesforce, Property365, Darwinbox, banking) and Power BI reporting.

2022 – 2024 — **D365 F&O Global Rollout Manager – Finance**
IHS Towers · Dubai
Designed the global finance template and led rollouts for TowerCo and FiberCo businesses in Brazil, Colombia and Peru, including local tax compliance and a major project turnaround.

2021 – 2022 — **D365 F&O Programme Lead – Finance**
Al Ghurair Investment · Dubai
Led finance, project accounting and production for 120+ legal entities moving from SAP, Oracle and other ERPs to Dynamics 365; managed 20+ partner consultants.

2017 – 2021 — **Senior Manager – Microsoft Business Solutions Delivery**
Octalpha Business Solutions · UAE & Kuwait
Ran Dynamics delivery for clients across the GCC; launched and turned around business units and rescued major client projects.

2014 – 2017 — **Business Solutions Engagement Manager**
BusinessMinds International · Dubai

2010 – 2014 — **Senior Business Solutions Consultant**
a-solutions (Dubai) · INC (Kuwait)

2008 – 2010 — **Chief Accountant**
Hygiene Products Industries · Kuwait

RECOMMENDED

"Raouf led the implementation of the ERP project at IHS I-Systems, where I was head of IT. He is a professional who really makes a difference."
